March 24, 2026

Dear RICWA Supporter:

The Rhode Island Clean Water Association is holding its annual golf outing on Monday, June 15, 2026. This event will be held at the Potowomut Golf Club, which is located at 439 Ives Road, East Greenwich, RI, with a 7:30am registration and a 9:00am shotgun start. Enjoy a complete round of 18 holes of golf (including carts), scramble format, continental breakfast, BBQ at the turn, beverages, dinner banquet and many raffle prizes.

Registration and payment must be submitted no later than **Friday, May 29, 2026**. **PLEASE SUBMIT YOUR REGISTRATION ON TIME AND USE THE ATTACHED REGISTRATION FORMS OR GO ONTO OUR WEB SITE AT [RICWA.ORG](http://RICWA.ORG). OUR LAST EVENT WAS FULLY BOOKED AND REGISTRATION WILL BE FIRST COME FIRST SERVE. DON'T MISS OUT!** The registration table will be located inside the Banquet room this year next to the tables that are displaying the raffle prizes.

The success of this fundraiser depends on our sponsors who provide financial assistance and participate in the event. The Annual Golf Tournament helps RICWA provide many primary objectives. One is the Scholarship Fund, which provides funding for educational opportunities for both wastewater operations professionals and college-bound high school seniors. The second objective is to provide quality professional training for wastewater professionals by sponsoring seminars that promote the collection and treatment of wastewater and for our Ops Challenge Team.

Included with the golf registration forms are additional sponsorship opportunities. Please submit sponsorship confirmations and payments by Friday, May 29, 2026, so they can be prepared in time for the event.

If you would like to contribute items for the goody bags, please e-mail Peter Connell at [peterconnell@verizon.net](mailto:peterconnell@verizon.net) with details about your donation. If you would like to donate a raffle prize, you may bring it with you early when you register that day (please attach business card to raffle donation). **This year for the raffle, the tickets will be sold during the registration, and before you head out to golf, please place your tickets in the jars of the prize(s) you would like.** While you are golfing, the Golf Committee will pick the ticket number and leave it on the raffle prize. After you finish your round of golf and turn in your score card, you will verify your winning ticket via a Golf Committee member and take your raffle prize.

The Association is looking forward to seeing all of you at this great outing. It promises to be a fun event and is always a great opportunity to interact with other professionals working in the wastewater field.

If you have any questions, you may contact me or any of the Golf Committee members. As always, the Association appreciates your continued support.

Sincerely,

Peter J. Connell  
*RICWA Golf Chair*

### **RICWA Golf Outing Donation Swing for Clean Water: RICWA's Annual Golf Classic**

To Whom It May Concern,

We are thrilled to announce that the Rhode Island Clean Water Association (RICWA) will host its annual Golf Outing on Monday, June 15, 2026, at the beautiful Potowomut Golf Club.

This isn't just a day on the green; it's a vital investment in the future of our local environment. Your support directly fuels two essential RICWA initiatives:

1. **Scholarship Fund:** Providing financial assistance to wastewater professionals and high school seniors pursuing careers in environmental sciences.
2. **Professional Development:** Funding high-quality seminars and our Ops Challenge Team, ensuring our workforce remains at the cutting edge of clean water technology.

### **Showcase Your Business to Industry Leaders**

By donating, you aren't just giving back – you're getting noticed. To show our appreciation, **your contribution includes a featured advertisement in our official event program.** This program is distributed to every participant, including key decision makers and professionals across the RI environment sector. Additionally, all sponsors will be recognized across our event promotions and on the RICWA website at <https://ricwa.org/>.

As a registered 501(c)(3) nonprofit, your donation is tax-deductible and goes directly toward securing the future of clean water in our state.

If you have any questions or would like to get involved, please don't hesitate to reach out to me by either e-mail, [peterconnell@verizon.net](mailto:peterconnell@verizon.net) or by phone, 401-601-7731.

Thank you for being part of this important work.

Sincerely,

Peter J. Connell  
RICWA  
Golf Chair
